RE: Yosemite Valley Camping and Yosemite National Park Service (YNPS)

Dear Senator Feinstein:

The purpose of this letter is to provide you with a follow-up to the letter sent to you previously, dated October 26, 2005, with regard to Yosemite Valley Camping and the YNPS (copy attached).

In that letter, many important points were discussed, one of which, point #2, is an effort by Yosemite Valley campers to voice their requests by way of signing a petition. The petition was an idea/suggestion by your local deputy. Most signers had the understanding that the petitions would be forwarded directly to you and to Congressman Radanovich for consideration and assistance.

With this writing, I am supplementing the original 371 signatures with 84 more original signatures, which brings the total to 455.

I trust you also received the book I sent you: *Yosemite and the Mariposa Grove: A Preliminary Report, 1865*, by Frederick Law Olmsted.

I look forward to hearing from you in the near future and, if your schedule permits, meet with you regarding this subject.

Best Regards,

Brian H. Ouzounian
